

SUPPER CLUBS 2011-2012

Supper Clubs are one way that people at First Christian Church get to know one another on a more personal level. We reform groups every year so that people get to know an ever increasing number of people. The person whose name is listed in black is not the group's chairperson - they are only responsible for making sure the first meeting takes place. After that the group will share leadership in whatever way works for it. Groups are encouraged to meet monthly but shall meet as schedules allow. Groups are encouraged to invite others to dine with them and join in the fellowship. Groups can meet in homes for pot-luck dinner or at restaurants or at some combination -- whatever
