

WEDDING POLICY

FIRST CHRISTIAN CHURCH OF DENTON

1203 FULTON STREET, DENTON, TX

940-566-4990

Concerning Your Wedding:

The marriage ceremony is one of the most sacred of all rituals of the church. It is never merely a social event; it is always a rite in which two persons pledge themselves to each other under the blessings of God and are united in holy matrimony. It is the desire of First Christian Church of Denton to make your wedding a memorable, pleasant and meaningful experience. To this end and out of years of experience, we have prepared the following policies.

Setting The Date:

Before announcements are prepared you must reserve the date on the calendar of the minister and the church. Please contact:

1. Our minister approves all weddings.
2. Our church administrative assistant, who keeps The Official Calendar of the church in the office. It is to your advantage to reserve the date and facilities with them as early as possible.

The church is not obligated to honor any date or reservation unless:

- (a.) The minister has agreed to the wedding;
- (b.) It has been placed on the Official Calendar;
- (c.) A wedding form has been completed by the bride and groom;
- (d.) A deposit has been made.

Note: Weddings or rehearsals are usually not scheduled to take place on the following dates without the Pastor's approval:

Holy Week (the week starting on Palm Sunday and concluding on Easter Sunday)

The period from Dec. 15th through New Years Day

The Minister

The minister of the First Christian Church of Denton:

- Shall be in charge of and conduct all weddings held at the church even when other clergy may be invited to participate;
- May issue invitations to other clergy whom the couple might desire;
- Shall work with the couple to plan the wedding;
- Shall conduct the wedding rehearsal, if one is needed;
- Shall conduct premarital wedding counseling or assure that it shall be done by an agreeable third party;
- Shall confirm the existence of a valid marriage license before the wedding ceremony starts and shall assure it is signed and mailed after the ceremony.

The Marriage License

The minister must have a valid marriage license in their possession before they may conduct a wedding, according to Texas State Law. You should give your license to the minister at the rehearsal. Marriage licenses can be obtained from the County Clerk's Office in any county in the state. For your information: licenses are valid for 30 days from the date of issue, but there is a 72-hour (3 days) waiting period before it can be used.

Premarital Counseling

Because we strongly believe that premarital counseling builds stronger, more enduring marriages, we require all couples planning to be married, including those previously married, to undergo a minimum of three sessions of premarital counseling. This will also include planning the wedding service, including the music, the duties and responsibilities of the participants, the order of service, and any other special arrangements. The details of the service shall be finalized before the day of the wedding rehearsal.

Wedding Time Limitation

Our wedding representative will open the building three hours before the wedding. Flowers can arrive and decorating can begin at that time. (Depending on the circumstances, arrangements may be made for some deliveries and some decorating to be done the day before the wedding - you must confirm this with the church representative at least two weeks in advance.)

You have use of the sanctuary for 3 hours before the wedding and for 3 hours from the time the wedding is supposed to begin. By the end of that time you will need to have all your personal items removed from the sanctuary, dressing rooms and any other space (other than the fellowship hall - if you are having a reception on site.) Our custodian will be in to clean the sanctuary and other rooms.

Chapel Weddings

Chapel Weddings are greatly defined by the size of the room. There is a maximum of 30 chairs to seat guests. The communion table has to be removed or the front row of chairs (6) to accommodate the pastor and the couple. There is room for one additional attendant for the couple if desired. Some candelabras may be too tall for this room. The center aisle is narrow enough to make a traditional "walk down the aisle" for two people to be challenging.

Church Wedding Representative and Consultants

First Christian Church of Denton provides a wedding representative to help the couple and assist the pastor. The Church's Wedding Representative will:

- Be available for pre-wedding consultation in regard to the details of the rehearsal and the wedding;
- Open the building three hours before the wedding to receive/direct deliveries, help with directions, and act as the church's liaison;
- Be present at the rehearsal to assist the Pastor with the "choreography" of the ceremony;
- Assist the Pastor and wedding party during the ceremony.
- And oversee and facilitate the removal of all wedding materials and personal items as well as restoring the facility to proper condition.

The Wedding Representative's fees are based on:

- ✓ 2 hours for the rehearsal
- ✓ 5 hours for the wedding

Additional time may be available for an additional fee.

Outside Wedding Consultants or Coordinators are not required, however, if one is to be used, they will work under the direction of the minister, who is in charge of the ceremony. It is the couple's responsibility to communicate this to the consultant/coordinator.

Music/Minister of Music:

When music is used in connection with the wedding ceremony, it becomes a very important part of it. All matters related to music should be discussed with the minister as well as our director of music or your preferred pianist. The church organist is available to serve for weddings, by special arrangement. If another organist is used, that person must have the approval of the director of music. Guest organists will understand this requirement in light of the value of the instrument. If a soloist is desired, the couple should make the arrangements and should pay them directly. If sound equipment is to be used, arrangements must be made in advance. The Minister must approve all music.

The music director or pianist shall:

- Meet with the couple to discuss music selections
- Rehearse with any guest musicians
- Attend the wedding rehearsal
- Provide
 - Prelude music
 - Music for the seating of grandparents and parents
 - Processional music
 - Music to be performed during the ceremony
 - Recessional music
 - Postlude music

Sound System:

The church will provide an Audio Technician for a minimum of 4 hours at \$25 per hour. Additional time may be requested for an additional fee.

Photography:

The wedding ceremony is a worship service. No flash pictures should be made by anyone during the ceremony as this is very distracting and takes away from the true focus of the wedding. This information should be conveyed by the couple to their families and friends. A professional photographer may receive permission from the minister to take pictures of entries and exits. Said professional may also take non-flash pictures from the rear of the sanctuary during the service. Other pictures can be posed before or after the ceremony. Photographers should consult with the minister beforehand about photographs.

Videography:

Videography is welcome as long as it does not interfere with the wedding service itself. The camera should be located in an unobtrusive place, using available light only, preferably mounted on a tripod. Videographers should not expect to wander around the sanctuary during the service and they are expected to consult with the minister beforehand about videotaping.

Flowers And Decoration:

Only dripless candles may be used. The floor under and around candelabra must be thoroughly protected by plastic covers. Under no circumstances shall decorations be attached to the pews or other furniture by pinning, gluing, nailing or taping. For weddings scheduled during the Advent season, Christmas wreaths, trees, and decorations must remain in place, and poinsettia plants may be rearranged (under the direction of the Church's Wedding Representative) but not removed from the sanctuary. During Lent and Easter season the cross shall remain draped. Any plants or flowers located in the sanctuary may be moved only if returned to the original location after the ceremony. *The Communion Table may be moved back against the chancel wall with the minister's approval – the Custodian will do the actual moving.* The cross and candles shall not be removed from the Communion Table.

Doors will be open and air conditioning or heating will be turned on 3 hours before scheduled wedding time. Heating or AC will be turned on to bring the building to an appropriate temperature when the doors are open. Florists should note this and bring flowers accordingly. They should contact the church office to make arrangements for deliveries. All decorations of the sanctuary or the fellowship hall, food preparation, etc. will be accomplished during the rehearsal or within 3 hours prior to the wedding service. When the facilities are used on Saturday, all decorations, plants, flowers, and equipment shall be removed from the sanctuary by no later than 9:00 pm and , if there is a reception at the church, from the fellowship hall by 10:00 pm. We regret that facilities for storage are not available. Additional time will require additional fees.

Rehearsal:

The wedding rehearsal shall begin promptly at the scheduled time, under the direction of the minister. The rehearsal is an integral part of the wedding preparation. All members of the wedding party should be present.

Reception:

The church Fellowship Hall is available, for use for receptions, provided arrangements are made with the church office at the time the wedding is booked. Alcoholic beverages are not permitted on church property and smoking is not permitted inside any of the buildings. Policies for the use of the church kitchen and Fellowship Hall shall be provided if the reception is to be held here. There is a fee for the use of the Fellowship Hall and for custodial services. Wedding receptions are allotted 3 hours from the end of the wedding service but shall be concluded no later than 10:00 pm. By the end of that time all guests should have departed, the furniture should be restored to its original location, and all decorations and personal possessions removed. Additional reception time can be purchased for \$50 per half-hour.
